Alert #3 - FY 2011

February 28, 2011

ALERT SUMMARY:

1. **PURVIEW: State (not federal)**
2. **LEVEL OF MOBILIZATION: Staff, adult learners, volunteers**
3. **WHO IS BEING CONTACTED: State representatives and state senators**
4. **TIME LINE: Immediate, especially to state representatives who are drafting their FY2012 list of budget priorities now**

NEED IMMEDIATE CALLS TO STATE REPS AND SENATORS TO PUT ABE ON FY 2012 BUDGET WISH LISTS

- On January 26, Governor Patrick released House 1, the administration's proposed budget for FY 2012 (7/1/11 - 6/30/12).
- The budget is non-binding and gives the legislature and the public an indication of the Governor's spending priorities.
- **The Governor's budget funds the ABE line item #7035-0002 at \$27,702,115. This is the same funding level as FY 2011.**
- **All advocates are communicating their budget requests to the House and Senate now, and we must also do so or risk not being heard.**

IMMEDIATE ACTION NEEDED

- Please make 2 calls: one to your state representative and one to your state senator. It will take less than 5 minutes to make a call. If everyone makes their calls, we could generate thousands of calls and have a real impact.
- Speak with an aide if you cannot speak with the representative or senator directly, and ask for the aide's name for future reference.

1. Give your name.
2. Say you live in the representative/senator's district. If you are registered to vote, say you are a registered voter in the district.
3. **Urge the representative/senator to put ABE on their Fiscal Year 2012 budget wish list to the House/Senate leadership at a funding level of \$27.7 million, which is the same funding level as Fiscal Year 2011.**
4. **If you have time, say why adult basic education is especially important now:**
 - People without jobs need ABE services even more now so they can be ready for jobs that emerge as the economy recovers.
 - Unemployed adults who need ABE services are eager and ready to learn, and have the time now, especially while they are not working.
 - Helping adults to improve their basic skills rapidly will help them, individual businesses and the state's economy all increase productivity.
 - While we encourage high school students to complete high school and earn a diploma, adult basic education is an important resource for students who drop out of high school and need their GED to be eligible for training programs, higher education and better job opportunities.
5. If you are a student, say how adult basic education is helping you to achieve your goals.
6. Thank the representative/senator or aide for his/her time.
7. Report back so we know who supports this request and where we must do follow-up!

REPORT BACK

 - Whom you called and his/her response.
 - Rate the response from each call separately using this scale:
 - 0 = unknown; left a message;**
 - 1 = made a definitive commitment to support the specific request (not just ABE in general);**
 - 2 = favorable toward request, but no definite commitment;**
 - 3 = neutral toward your request;**

4 = opposed or negative to the request; definitely will not support it.
